What is the University Foundation Programme at University of Nigeria

The University of Nigeria offers a range of foundation programmes to help High School students progress directly onto degree programmes in the UK. These courses are taught over one academic year, not only providing a qualification to gain entry into leading UK universities, but also developing the academic skills to ensure success in your chosen degree subject. [Read More...](#)

Why Choose the Programme

The university of Nigeria is one of the leading universities in Nigeria, with outstanding facilities and experienced and dedicated teachers. It appreciates that so many students wish to further their education in the UK to gain an internationally respected degree and has therefore teamed up with GEEC to teach courses in Business Management, Social sciences and Engineering.
