

NJMR

Nigerian Journal of MANAGEMENT RESEARCH

GUIDE FOR AUTHORS

1. All papers must be scholarly, original, well researched and well referenced.
2. They must not have been submitted or intended to be submitted to any other academic professional journal for publication.
3. The first page of the manuscript should contain the following:

Title of the Article

Name and relevant particulars of the Author(s)

An abstract of the Article (not more than 100 words).

ABSTRACT IS MANDATORY

4. The text of the article should then begin on page 2 below the title. In order to preserve anonymity in review and/or blind refereeing, please do not put the name(s) of Authors on this page or anywhere else in the text.
5. References should be cited in the text, using the APA version 6 style and listed in alphabetical order (surname first) on separate page at the end of the article.
6. Copies of Maps, charts etc, should be submitted in a form suitable for reproduction in the normal size of the journal.
7. All contributors should endeavor to submit their papers before each issue's deadline. Submitted papers are not usually returned, whether accepted or rejected, unless there is need for referee's recommended amendments.

CALL FOR PAPERS

The Nigerian Journal of Management Research, a multi-disciplinary academic publication of the University of Nigeria is calling for papers for publication from the general public. The journal publishes papers from various researches across the social science discipline.

It is a bi-annual electronic journal that is published in March with the deadline of February (call for papers) and September with the deadline of August (call for papers) every year.

Researchers who are interested in publishing their papers in the journal should kindly note the following:

- All papers must undergo similarity index test, otherwise known as plagiarism test before acceptance
- Papers must be formatted in line with the author's guide and forwarded in softcopy via email to management.businessadministration@unn.edu.ng
- Researchers should include Telephone and other Contact Details for easy communications with the Journal Production Team
