**RE: CLARIFICATION ON ELEGIBILITY TO VOTE DURING PROVOSTSHIP/
DEANSHIP ELECTIONS**

Further to our earlier directive on eligibility to vote in provostship/deanship elections, it has become necessary to make the following clarifications:

For purpose of clarity, the following categories of staff are not eligible to vote:

- Staff of the University on leave of absence
- Staff on sabbatical leave outside the University
- Staff on Research Leave outside the University
- Staff on any other long term leave
- Emeritus Professors
- Deans and Associate Deans of cognate Faculties (Membership of Appraisal Committee does not qualify these set of staff to vote outside their parent Faculties – to avoid dual voting rights)

On the other hand, those who are on **sabbatical leave in our Faculties as well as VISITING PROFESSORS** are eligible to vote since they are members of the Faculty.

Please be guided by the foregoing.

Chris C. Igbokwe, Esq.
