Ile-Ife.

Dear Sir/Ma

APPLICATION FOR THE POSITION OF LECTURER II

I write to apply for the position of Lecturer II in Oduduwa University under your administrative control.

I completed a Doctor of Philosophy (PhD) in Agricultural Economics from the Obafemi Awolowo University, Ile-Ife in 2017 with research interest in Agricultural Resource and Environmental Economics. As part of my studies, I obtained a Bachelor of Science (BSc.) degree in Demography and Social Statistics from the Obafemi Awolowo University, Ile-Ife in 1987; Master of Business Administration (MBA); Master of Agricultural Technology (M. Tech) in Agricultural Economics from the Federal University of Technology, Akure (FUTA) in the years 2003 and 2007 respectively and a Bachelor of Science (BSc.) degree in Economics from the University of Ibadan, Ibadan in year 2012.

I have worked with Wema Bank PLC between 1990 and 2006 where I consolidated my basic finance, marketing and managerial skills through my work experience as Business Development Manager in various branches of the Bank over a number years. My last point of assignment was Akure Branch before I voluntarily opted out to do further studies.

I bring to job a strong work ethic, desire to succeed, a willingness to cooperate with others, and a need to produce quality work. As a result of the knowledge and skills gained through my studies and my industry-based experiences, I will be able to more than adequately, meet the requirements of the

position of Lecturer II in the Departments of Economics and/or Banking and Finance of the Oduduwa University, given consideration.

Thank you for considering my application. Enclosed are copies of my resume and academic records.

Yours faithfully,

AWOYELU Festus Eluwande (PhD)
