KOKO BASSEY

La Lumiere

In a world that is fast fading,
where morals have ceded place to inverse values
and priority has espoused herself to injustice,
immorality and corruption...

A light in the darkness shines a message,
a message of hope to a transient world,

*Dusk will give way to dawn
and midnight will become noon.
There is still a narrow path
that leads to the break of day.*

The light shines in obscurity.
It is not given to obscurity.
That light bears a message,
a message of hope to a dying world.

*"Did you say?"
Yes!*
