Successful candidates are directed to provide their account details to the Association to facilitate smooth and fast disbursement of funds. In addition, each recipient is expected to write a letter of appreciation to the Association so as to encourage and motivate it to do more for students of the University.

We also use this opportunity to enjoin all students of the University of Nigeria to study more in order to qualify for the Association's scholarship scheme in the next academic session. The scholarship award is exclusively for students with proven academic excellence evidenced by higher Cumulative Grade Point Average (CGPA).
