**The Vice Chancellor,**  
University of Nigeria, Nsukka,  
Enugu State.

Dear Prof. Arinzechukwu,

### **INTRODUCTION OF THE NEW PHASES OF MTN FOUNDATION (MTNF) SCHOLARSHIP SCHEMES**

On behalf of the Management of MTN Nigeria Foundation (MTNF), we are delighted to announce the commencement of the 2020 edition of the **MTNF Scholarship Schemes**.

As you may be aware, MTNF awards annual scholarships worth **N200,000 (Two Hundred Thousand Naira only)** to eligible students studying a science related discipline and blind students studying any discipline under its **Science & Technology Scholarship Scheme (STSS)** and **Scholarship Scheme for Blind Students (SSBS)** respectively.

Students under both schemes are from public Universities, Colleges of Education and Polytechnics across Nigeria. In addition, students on either scheme who maintain the required grades would have their scholarships renewed annually, until they graduate.

We are pleased to inform you that the current phase of STSS is now open to all 3<sup>rd</sup> year Science & Technology students in your institution with a minimum CGPA of 3.5 (2<sup>nd</sup> Class Upper/or its equivalent). Likewise, blind students in their 2<sup>nd</sup> and 3<sup>rd</sup> year, with a minimum CGPA of 2.5 or its equivalent, are open to apply for the SBSS.

Interested students should apply online at [www.mtnonline.com/scholarships](http://www.mtnonline.com/scholarships) before the closing date of Sunday, July 12, 2020.

For more details, please contact **Ayodeji Salami** on **08032006439** or [ayodeji.salami@mtn.com](mailto:ayodeji.salami@mtn.com) and **Christian Osi** on **08032002473** or [christian.osi@mtn.com](mailto:christian.osi@mtn.com).

Our records show that **34 students** from University of Nigeria, Nsukka currently benefit from both schemes and are being considered for renewal. *Please find attached the list of existing awardees from your institution labelled **Annexure 1**.*

1. The relevant departments compile the academic records of the existing 34 students as at 2018/2019 **academic session**.
2. The institution accords these two organisations, whose services we have enlisted (*i.e. Dragnet Solutions Limited for STSS and the Anglo-Nigerian Welfare Association for the Blind (ANWAB) for SSBS*) the required assistance to obtain the academic records, and verify the CGPA and other important details for the existing and newly shortlisted students.

MTN Nigeria is firmly committed to supporting Youth Empowerment and the Education sector in Nigeria; evidenced by the launch of this 10<sup>th</sup> and 8<sup>th</sup> phase of both the STSS and SSBS respectively.

MTNF has awarded over **N2.1 Billion** in scholarships to **3,829 students** from inception to date, and it is worthy of mention that this has only been made possible through partnership with institutions like yours.

Thank you in anticipation of your continued support and co-operation.

Yours faithfully,
