12th- 14th December, 2023

Princess Alexandria Auditorium, UNN

*Theme*

## EXPLORING SUSTAINABILITY OF POST-2015 DEVELOPMENT AGENDA: Is the glass half full or half empty?

### CALL FOR ABSTRACTS

#### Introduction

The University of Nigeria, Nsukka is organizing her 3rd Annual Multidisciplinary International Conference that will bring together researchers, policy makers, multilateral development agencies, Industry Practitioners, security agencies, Government MDAs, NGOs and other development actors across the world to explore the theme: **Exploring sustainability of Post-2015 Development Agenda: Is the glass half full or half empty?**

#### Sub-Themes

*The sub-themes proposed in this conference will run along the 17 SDGs as follows:*

1. Eradication of poverty
2. Hunger, food security, improved nutrition and sustainable agriculture
3. Health and well-being
4. Inclusive and equitable quality education
5. Gender equality and empowerment of women and girls
6. Sustainable management of water and sanitation
7. Access to sustainable and modern energy
8. Sustained, inclusive and sustainable economic growth
9. Resilient infrastructure, inclusive and sustainable industrialisation and innovation
10. Reduction of inequality
11. Safe, resilient and inclusive cities
12. Sustainable consumption and production
13. Take urgent action to combat climate change and its impacts
14. Sustainable oceans, seas and marine resources
15. Terrestrial ecosystems, forests, and combating land degradation and biodiversity loss
16. Peaceful and inclusive societies, access to justice and accountable institutions
17. Global partnership for sustainable development
