

Computer Based Test (CBT) For **MTH 121**

Date: Tuesday **24th June**, 2025.

Time: **08:00am – 2:00pm**

Venue: Nnamdi Azikiwe Library, UNN and UNEC (see UNN website for details)

Nature of exam: 15 multiple choice questions to be answered in 20 minutes

Instructions

1. ALL Students are to come into the test venue with only their **PEN and an A4 plain paper**.
2. **NO HANDSETS, CALCULATORS OR OTHER ELECTRONIC DEVICES, HANDKERCHIEFS, COURSE REGISTRATION PRINTOUT OR ANY OTHER PAPER are allowed in the exam hall. Anything OUTSIDE PEN/BIRO will be regarded as a TRASH.**
3. Indecent dressing is a capital offence.
4. The CB Test will be taken in **BATCHES** due to the limited number of computers available at the library.
5. All students are **EXPECTED TO ARRIVE AT THE VENUE** of the examination at least **one (1) hour before their scheduled start time for biometric verification, checking and proper placement**.
6. Students are expected to be attentive and alert to hear when **their batch is been called** to take the test. **Each Batch will be closed or locked after 5 mins it starts to create room for students of the next batch.**
7. Students should make sure they are available to take the test when their batch is called upon to take the test as **those who MISSED their batch will NOT be allowed to WRITE IN ANOTHER BATCH.**
8. If your department is not in the 'Department' column, you belong to or will write under 'others'.
9. Paper for rough work will be provided at the entrance of the examination hall. Write your **name/reg.no/Dept/signature** on the **rough sheet** and **submit at the end as it is the attendance to the examination, otherwise no result.**
10. If you are 5 minutes late to your batch starting time you won't be allowed into the test hall. This means that you missed the test and will score zero on the test.
11. Once a batch starts writing the batch will be closed after 5 minutes. This means (i) students access to the questions will be withdrawn so you can't see the questions anymore (ii) if you come x minutes late you can only write for the remaining $20-x$ minutes where $x < 5$; for example, if you are 5 minutes late you will only write for 15 minutes.
12. Learn how to refresh your browser before the exam. Sometimes the question appears in LaTeX syntax (like code), just refresh your browser to fix the problem.

All the best!
